lad. So do you know how  
he goes on his adventure?

This is a very, very good  
secret. He is wise for  
adventures. So now you

his adventures. Louie is

There is a clankling sound  
above. He wakes up.  
He's sleeping in an oven  
He hops out of the  
oven with his bottom on  
fire. He goes in the  
bathroom and sits on the  
toilet to wash the  
fire away.
