

LOUIS THE SPOTTY GREEN FROG-A MYSTREY STORY

One sunny morning Louis was thinking about what his best friends were doing, while he was making a cake for them. Louis put the cake in the oven for 15 minutes. As he took the scrumptious chocolate cake out of the hot oven, he put the cake on the wooden table to let it cool down then there was a knock on the door, Louis said, "Come in". Emi and Alice walked in and chorused together "Hello Louis how are you, the cake smells nice. Is it a chocolate cake". Louis said in a surprised voice "How did you know!" Emi and Alice told Louis that on the way here we lost a necklace. Louis decided to go and find the necklace. They walked to the end of the path and saw the necklace down a rabbit hole; suddenly a rabbit popped out and said, "What are you looking at?" "Is this your necklace "IF IT IS THEN WHY IS IT DOWN MY RABBIT HOLE!"
