

Louis the spotty green frog ~a mystery
Story.

Louis was cooking his cookie dough he was good at it. He knew how to cook his Christmas cookies. Just then he heard a knock on the door, he opened the door and saw his friends Laurie, Thomas and Harley.

“ Hi, I’m cooking Christmas cookies do you want to help” said Louis. “Sure!!” Replied his friends. They went back into the kitchen and the cookie dough was gone! They saw a little tail go out of the room. Laurie jumped and pulled the tail, it was a dog, so for dinner they had roast dog instead of roast chicken!
