

Once upon a time
a frog
called Louis was very bored in
his house when he decided to
go out to the jungle.
He saw a unicorn and he
tried to pet the unicorn
but he was too small.

So he ~~left the unicorn~~ but
then he found a tiger. As he
was looking the tiger was so
fierce then Louis was feeling
very very tired! So then

He went home and he sat
down on the sofa and watched
TV. Then it was dinner
time but it was time for
Lore and Frank they were
so happy etc etc
