

Louis the Frog has an Adventure

By Ethan Cory Tigers Year 1

One day, Louis the Frog was in his house making pancakes, when he saw some pain. He went outside with his umbrella up and he saw his friend called Ethan the Lion. He wanted to go to his house and the Lion said he could.

When Louis got to Ethan's house he had some cake. They had a play and then Louis the Frog went back home.

Louis then a little sit down after eating all that cake.

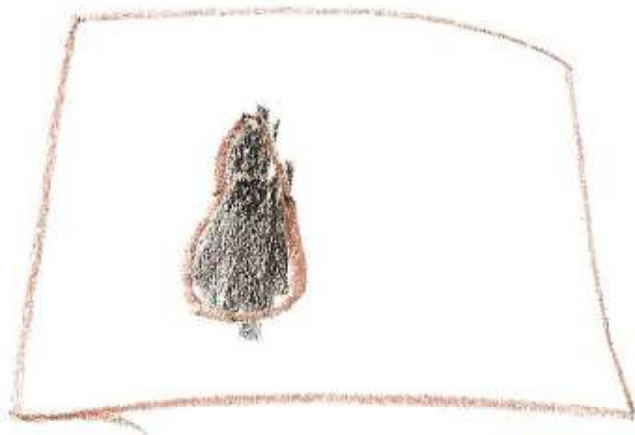

He then went outside again and saw the sun up. He had a play in the park on the swings and then he went back home.

He had a snack of blueberry muffins and had some orange juice.

He watched some tv - the news. It was about a tree falling down and it broke the Lion's house. He felt a bit worried so went to help him. When he got there he saw the roof was broken. Louis the Frog went to the brickmakers and got some new bricks. He asked the brickmakers to come over and help him put them on the roof. Ethan the Lion felt better and gave Louis a cuddle to say "Well done".

They all took a bow.
