

Once upon a time there was a frog called Louis. He was from France. He was on holiday in Hungary when he was feeling very hungry. His favourite food was fly pads. A fly pad is a special type of sandwich. It's made from 2 fly pads and 1 fly.

He found 2 fly pads in a pad.

He takes the 2 fly pads and sneaks upon fly. "Don't eat me!" said the fly. Louis said "The fly a frog behind you" to trick the fly to make him turn around. When the fly had his back to Louis, Louis turned him into a fly pad. Then ate him up! The end.
