

# Louis' Surprising Birthday

one day there was a  
Elephant called Louis. His  
Birthday was in two days.  
But Louis had no cards  
of any gifts not one.  
every day he went down  
to his friend Ed. (He is  
a giraffe) and Louis said  
"do you have a present  
for me its my Birthday"  
Ed replied "no who  
even cares about a Birthday."  
Then Louis walked off sadly  
and slowly. It was  
the last day of Louis'  
birthday. He went to  
find his friend, but  
he was not there. Then  
Louis went to find everyone-  
else but they were not  
there either.

So Louis  
found this a  
bit mysterious.

Then Louis  
traged along  
to the lake  
slowly and  
sadly. Then his  
friends jumped up  
surprise they shouted. The end.
