My name is Louis and I arrived on the back of
Mallard duck at a house known as Kings park house.
I was asleep and woke up to see my self flying in

me how did you get on my back. I fell asleep and
woke up to see you. What is your name asked
Mr duck? my name is Louis frog. Just then
around the corner came a big fat cat. The cat
asked where did you two come from. We

Replied Louis the frog. Just then the door opened
to the house and out came a dog. The fat cat
called Sooty shouted everybody run for
cover. Whats happening asked mallard duck.
Run if you do not want to be the Dogs next
meal! next meal what do you mean? Whoof,
