

On day Loui and his friends Sleco the slug, tico the
gecko and slip another frog. They were going through the
swamp and there was a green tray with 3
leaves on it. There was a bright green leaf in
the shape of a hat, a dark green leaf and a brown
washed leaf. "They look very expensive!" said tico.
"maybe we should find out they belong to," said
Loui. So they set off to find the owner of
the clothes, since they went to Mr. Pecko the
