

Louis the Stag

Plays a Joke

One day Louis went out to play. He went to his friend's house but there was no one there. So he went home. I wish my friends were at home he said. Mum came out. Why don't you walk, ok he said. I'm not going. But see my friends. Mum said you can see them tomorrow. Bye Mum. He passed a river. He saw a deer. What a nice day he said. Suddenly he saw something. My friends! Wait I'll play a joke on them. I'll go to the swamp. They will love it. I've got to hide. Lets play it. Where Louis is? Louis? Is that you? I play it? Yes. You can play.
