

Louis the frog Plays a joke

Once upon a time there lived 6 puppy dogs called, Spike, Mudbug, rosebud, beedog, Patch and spot. They all went for a walk and left patch behind and went to the pond. they went in the water and jumped on a frog called Louis. The frog took them to his home and the pups could not get out of the frogs home, so they shouted and Shouted for patch.

Patch ran to find the pups, but Louis the frog said it was only a joke so he opened the door and let them all go home with patch to see their mummy and daddy.
