# Louis The FROG Plays a joke

One day Louis was very bored and did not know what to do with himself, so he went to see his friend.

On his way he thought of something he can play. Louis went to play tag with his friends, Louis pretended to fall over and hurt his leg, he cried I have hurt my leg. His friends hopped over to him to see how badly he had been hurt.

Louis laughed at his friends  
Ha! Ha! Ha! It's a JOKE
