

Louis the frog plays a trick

One upon a time there lived a rich frog
called Louis. He lived in a beautiful flat
as high as the Eiffel Tower. It had two
lifts, eighteen balconys and twenty nine
paintings of him on the walls. Louis
was a judge on the Animal X Factor.
The other judge's were Tulisa the turtle,
Kelly the kitten and Gary the giraffe
Louis was always playing tricks. When
an act came on that he didnt like he would
sneak behind Tulisa and pull her hair,
creep towards Kelly and pull her
wiskers and tiptoe towards Gary and
tickle his ear. He would jump back in
his seat before you could say pond weed.
The other judges would shout LOUIS !!!
He would say It wasn't me |
