

Louis the frog

Plays a joke.

By Penelope G. G. G. G.

One day in the afternoon,
when the sun was shining
Louis the frog fell onto
his leg.

His friends felt sorry for him
and they did all his work for him.

Suddenly Louis jumped up
and shared a joke.

All his friends hid their laugh
and said it was not funny at all.

So Louis said sorry.

the end - xx
