

Cress Heads!

You will need:

- An egg shell and egg cup -or- a yoghurt pot
- Paints or pens
- Cotton wool
- Cress seeds

Process:

Step One: Take the label off the yoghurt pot or clean the inside of the egg shell

Step Two: Paint a funny face on the egg or pot. Why not try one of our designs below?

Step Three: Put some damp cotton wool at the bottom and spread cress seeds on top

Step Four: Leave on the windowsill, keep moist and watch your cress grow!
