

Louie the frog Played a Joke on a lily pad

One sunny day sat on a lily pad was a frog called Louie he was very bored so he went to find his friends to have some fun his first friend that he saw was Jacob the worm. He decided it would be fun to play a joke on Jacob so he said to Jacob 'hello Jacob do you know your shoe is untied' Jacob looked for his shoe to tie it then he realised he didn't have any shoes. Jacob said 'oh Louie its not nice to trick me'. Louie hopped off laughing.

Next he saw Sophie the bird who was looking for sticks for her nest. Louie said 'hello Sophie did you know your eggs are going to fall out of your nest'. Sophie flew as fast as she could back to her nest and the eggs were fine. Sophie called down to Louie 'oh Louie that was very unkind to scare me like that'. Louie hopped off laughing.

Finally Louie found his last friend Brooke the snail. 'Oh Brooke did you know your house has a crack in it'. Brooke looked around worried at her shell and it was ok. 'oh Louie its mean to make me worry like that'. Louie hops off laughing.

Louie soon got back to his lily pad when he hopped on it it was very very sticky he couldn't move. Then he heard the real laughs from Jacob Brook and Sophie who had put sticky sap on his lily pad. 'see its not nice been tricked is it' they all said together.
