Louis the frog plays a Joke

Once upon a time there lived a frog called Louis. He was slimy, green, hoppy and had slippery legs. He was cheeky, smiley, and had freckles on his cheek. He was silly and funny. One day Louis went to school, Louis played with his friends all day until the home bell rang. "Yippee" shouted Louis.

Louis leaped home, had dinner, had a hot chocolate then went to bed. Louis grabbed the strawberry jam. Louis went straight to the bedroom, got a bucket and put it on the top of his door. Louis waited and waited....

At last Louis parents came in...."Louis?" his parents shouted . "This is a sticky trick!" Louis parents said. Louis said "Have a bath" "ok" said Louis parents Ha! Ha! Ha! Laughed Louis
