## Louis the trog plays a joke

Once upon a time there was a frog called Louis. Louis has three freckles on his face. Louis was about to sit down before Louis had an idea "I know I can play a joke on Toad." Toad is bigger than Louis and he is friends with Louis.

So Louis called toad and said "Come on a journey with me to slime world"

"Ok" said Toad. So Toad and Louis met each other at the frog and toad airport and they had a long journey to slime world.

When they got there Toad was excited. Toad didn't know a thing about the trick. When they got to the hotel they put their bags down and went to the swimming pool. "What are we doing?" asked Toad "You will see" said Louis. Louis had brought some custard and took it with him. And Toad had brought his swimming boots with him. So Louis put custard in toads swimming boots and Toad put his boots on and all Louis heard was "ARRRRR!!!"

"Ha ha April fools!."

"Louis!"

"I played a trick on you!"

So Louis and toad lived happily ever after.
