Louis the flog plays a york

One day there was a frog who lived under a tree. He was called Louis. He went to school with his best friend called Fred. He was a frog too. He lived down the river.

On Monday Louis was going to play a joke on Fred. It was Monday morning "Let's go in class" said Louis. "ok" said Fred.

Slime fell on Fred. "Ha! Ha! Ha! Ha!" "Very funny Louis" said Fred. "Let's go to the river and clean you up" said Louis.
